Ian Parrish Presents Flag That Flew Over the Capitol to the University of Baltimore

Investors United President Ian Parrish had a featured role in the Anchor of Midtown Baltimore event held Thursday, October 18, 2007 at the University of Baltimore. A member of the University's Advisory Board, Ian presented an encased U.S. Flag and award certificate to Ensign Frank Zalom.

Zalom, a Naval Academy alumnus and graduate student at the University of Baltimore accepted the flag on behalf of the University.

The flag, which flew over the U.S. Capitol, was originally awarded to Investors United on the anniversary of the School's establishment by Rep. Wayne T. Gilchrest. Ian donated it to the University "as a token of our admiration, friendship and respect."

In his brief statement, Ian added "We hope that this flag will serve as a constant reminder of our shared dedication to providing the highest quality of education, and in the process, elevating the knowledge and quality of life of our students and the community we serve."
